

Mahuar (Medium) Irrigation Project, Madhya Pradesh

Mahuar Medium Irrigation Project harnessed the water of river Mahuar, a tributary of river Sindh in Tehsil Pichhor of Shivpuri District of Madhya Pradesh. The project was included under AIBP in FY 2013-14.

Benefits of the project include to provide annual irrigation to an area of 13775 ha in Shivpuri.

The cost of the AIBP components of project is Rs 116.75 crore.

Mahuar Dam

Central Assistance of Rs 16.66 crore is released to the Project.

Timely release of funds and multi-layered monitoring of the project under PMKSY-AIBP helped overcome several long-pending issues, and led to its early completion.

Main Canal

All seven Water User Associations (WUA) are reported to be registered & active in the project area. Command Area Development works are under progress.

Project was completed in June, 2017.
